

Grievance Day for the Town of Nanticoke is June 1, 2026 from 4:00 p.m. to 8:00 p.m.

The Grievance Board is a three-member board which reviews your tax assessment in cases where you do not agree with the property assessment published on the Tentative Roll.

The Board meets once a year, in June to hear and rule on taxpayer complaints. The Board acts independently of the Assessor and has the authority to sustain or override the decision of the Town Assessor.

The Assessor's office does not participate in the decisions made by the Grievance Board. They are an independent body and the Assessor's office receives their decision at the same time as you. The Assessor's office, therefore, does not have any information to assist in answering specific questions you may have about a Grievance Board decision. If you have any questions, they should be forwarded in writing to the Town of Nanticoke Grievance Board.
